On May 23, 2016, the Compensation Committee of the Board of Directors (the “Board”) of BioCryst Pharmaceuticals, Inc. (the “Company”) granted to all Company employees options to purchase a total of 1,747,929 shares of the Company’s common stock (the “Retention Options”) pursuant to the Company’s Amended and Restated Stock Incentive Plan (the “Stock Incentive Plan”). The Retention Options will vest in equal annual installments over the four year period beginning on the grant date of May 23, 2016 and ending on the fourth anniversary of the grant date. The number of Retention Options granted to each of the Named Executive Officers included in the Company’s proxy statement for the 2016 Annual Meeting of Stockholders (the “Annual Meeting”) is as follows:

<b>Employee</b>	<b>Title</b>	<b>Retention Options</b>
Jon Stonehouse	President and Chief Executive Officer	337,050
William P. Sheridan, MB BS	Senior Vice President and Chief Medical Officer	148,302
Thomas R. Staab, II	Senior Vice President and Chief Financial Officer	129,427
Yarlagadda S. Babu	Senior Vice President of Drug Discovery	129,427
Lynne M. Powell	Senior Vice President and Chief Commercial Officer	129,427

At the Annual Meeting held on May 23, 2016, the stockholders of the Company approved, by the affirmative vote of a majority of the shares of common stock represented at the Annual Meeting in person or by proxy and entitled to vote, a proposal to amend the Stock Incentive Plan to (i) increase the number of shares available for issuance under the Stock Incentive Plan by 3,800,000 shares to 14,851,204 shares as of March 28, 2016 and (ii) provide for (A) a minimum one-year vesting period for nearly all “full-value” future awards, (B) the elimination of “single trigger” vesting of future awards upon a change in control when the awards are assumed or converted, and its replacement with “double trigger” vesting protections in that event, and (C) express prohibitions on direct and indirect repricings of stock options and stock appreciation rights. Effective following the Annual Meeting, the Board further amended the Stock Incentive Plan to increase the number of options to purchase common stock granted automatically to non-employee directors pursuant to Article Four of the Stock Incentive Plan. Pursuant to the Stock Incentive Plan, as so amended, newly appointed non-employee directors will receive an automatic grant of 60,000 stock options, pro rated for the number of months remaining until the next scheduled annual meeting of stockholders, and incumbent non-employee directors will receive an automatic grant of 30,000 stock options immediately after each annual meeting of stockholders. All such stock options will vest monthly in equal portions until the next scheduled annual meeting of stockholders.

The description of the Stock Incentive Plan in this report does not purport to be complete and is qualified by reference to the full text of the Stock Incentive Plan, a current copy of which is filed as Exhibit 10.1 hereto and is incorporated herein by reference.
